

Writing a Bachelor or Master Thesis at the Chair of Sustainable Production Management

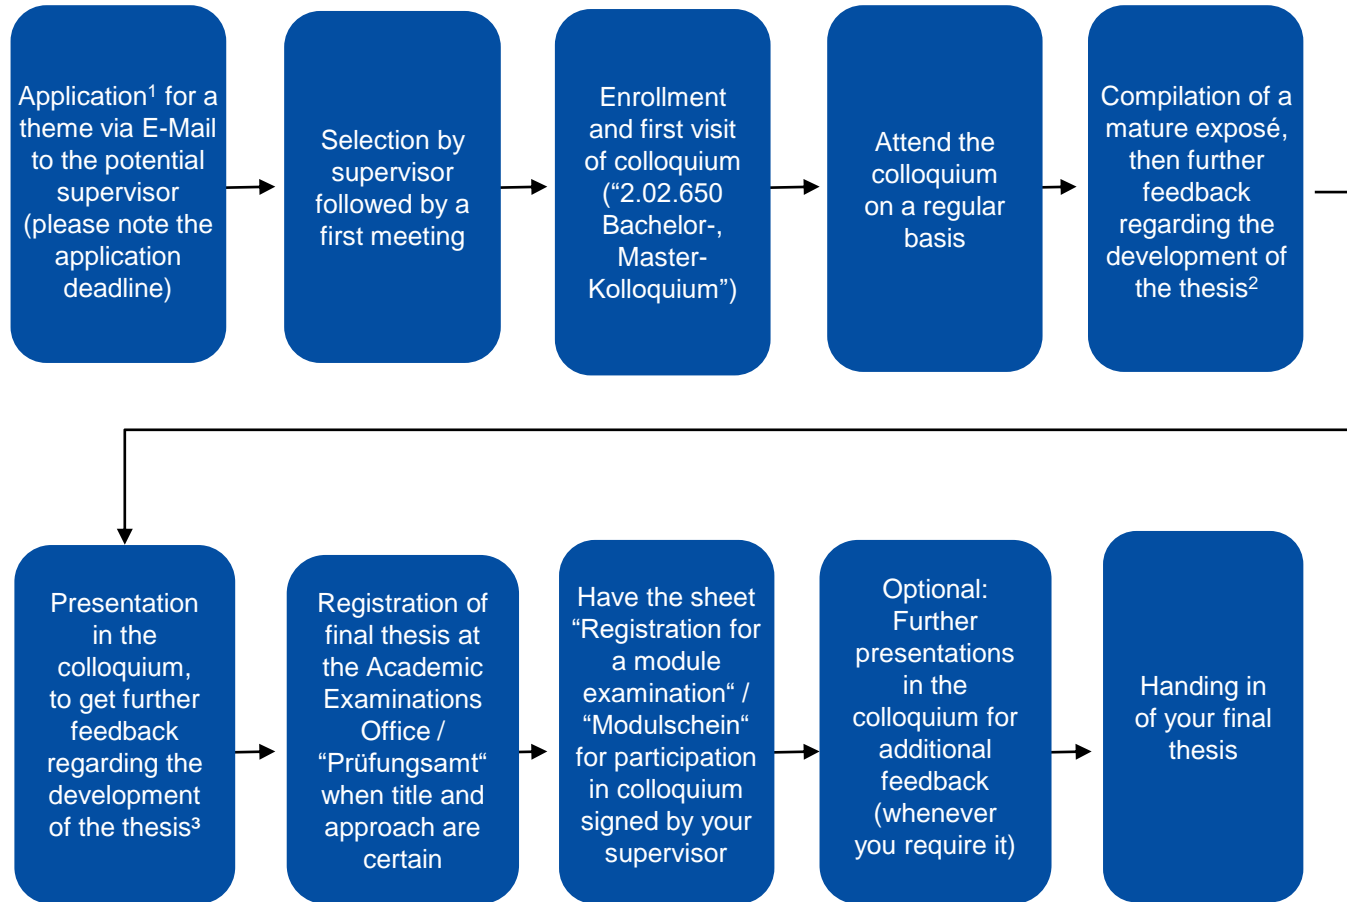

Initial information package | Latest update for the winter term 2019/2020

The Chair Welcomes Theses in any of our Teaching and Research Areas

The Overall Process is Simple

Explanations: ¹For more detailed information regarding the application process, please consider the next page. ²Please send the exposé to your first supervisor via E-Mail. ³Please send your presentation two days before the colloquium to Heide.Elsner@uol.de.

Details on the Application Process

- Your application should contain the following documents:
 1. Proof of experience in qualitative / quantitative research methods
 2. Cover letter and application documents:
 - a) Letter of motivation (1-2 pages) regarding the preferred topic from the list
 - b) Alternatively, a preliminary exposé (2-3 pages) including a proposal of your own topic:
 - Including the following categories: Title / theme of the thesis, problem definition, theoretical foundations, methodical approach, supervision situation in case of company-related thesis
 3. CV
 4. Copies of reports (School / Abitur- and Bachelor reports)
 5. Certification of grades of all courses taken during current study program
 6. If applicable, proof of further relevant certificates
- The 19th of July 2019 is the application deadline for the winter term 2019/2020.
